

2-Minute Recruitment Video Pitch

The Task

Imagine you are the HR Manager at **Happy Folks Club**. Record a short **1 to 2-minute video** convincing college students to join our mission and volunteer for the **Dosti Program** (spending time with senior citizens).

What to Cover in the Video

- **Introduction:** A warm, high-energy welcome to grab attention.
- **The Mission:** Briefly explain why connecting young students with lonely seniors matters.
- **Call to Action:** Invite them to sign up and mention the traits we want (empathy, consistency, and patience).

Rules & Guidelines

- **Time Limit:** Strictly between 1 and 2 minutes total.
- **Format:** Record using your smartphone camera, Zoom, or Loom. Your face must be clearly visible.
- **Tone:** Speak naturally from the heart. Do not read flatly from a script or text document.

Submission

Save your final video file (.mp4 or .mov) and drop it directly into your shared application Google Drive folder.
